

# Efforts for 100% Attendance

1-Daily attendance through Google sheet.

2-Inspire students to attend the class daily on whatsapp group.

3-Contact students personally after listening their problem , given right suggestions so that they could attend the online classes.

4- some of the students were picking phone contact to their friends to contact with them and able to join them to the classes.

5- some of the students had changed their mob.no., asked other students, who were living near by to go to their house and ask them to talk to me, after they could be joining online classes.

## INNOVATION IN ONLINE TEACHING

- 1- Linked Diksha app during on line teaching.
- 2- Screen sharing while on line teaching.
- 3- Video / audio lesson played during online classes
- 4- Content shared from olabs.
